

Zahra Mani technical rider

I require

- 1 table 2 x 1 meter
- 1 mixing desk, Mackie 1202 VLZ 3 or similar (minimum 10 inputs, stereo outs, 3 channel equalization filters for each channel)
- Stereo connection to PA (from mixing desk)
- Monitor(s) depending on PA setup (to be decided according to stage plan or at set-up)
- 1 bass guitar (to be discussed - I can bring mine, but it means extra baggage allowance on most flights)

I will bring along

- 1 motu 828 mk 2 audio interface
- 1 apple macbook pro laptop running ableton live & max/msp runtime patch by Stefan Moore
- 1 usb keyboard

Drinks and refreshments on the day of set-up and performance please!
